

HEADSHOTS FOR THE DRIVEN
AARON PATTON | PHOTOGRAPHER

PROJECT CONFIDENCE.

Your headshot is your chance to take control of your first impression. Potential employers and new clients are more likely to “meet” your digital profile than to see you face to face. **This is your new handshake.** Make it strong and get them to take notice.

SESSION FEES

My headshot sessions are structured to ensure you get the image you want. I'm not done until you're happy.

Sessions are **\$150 per person** and include one fully retouched image with a license for personal, small print, and web usage*.

Additional images are \$50 apiece.

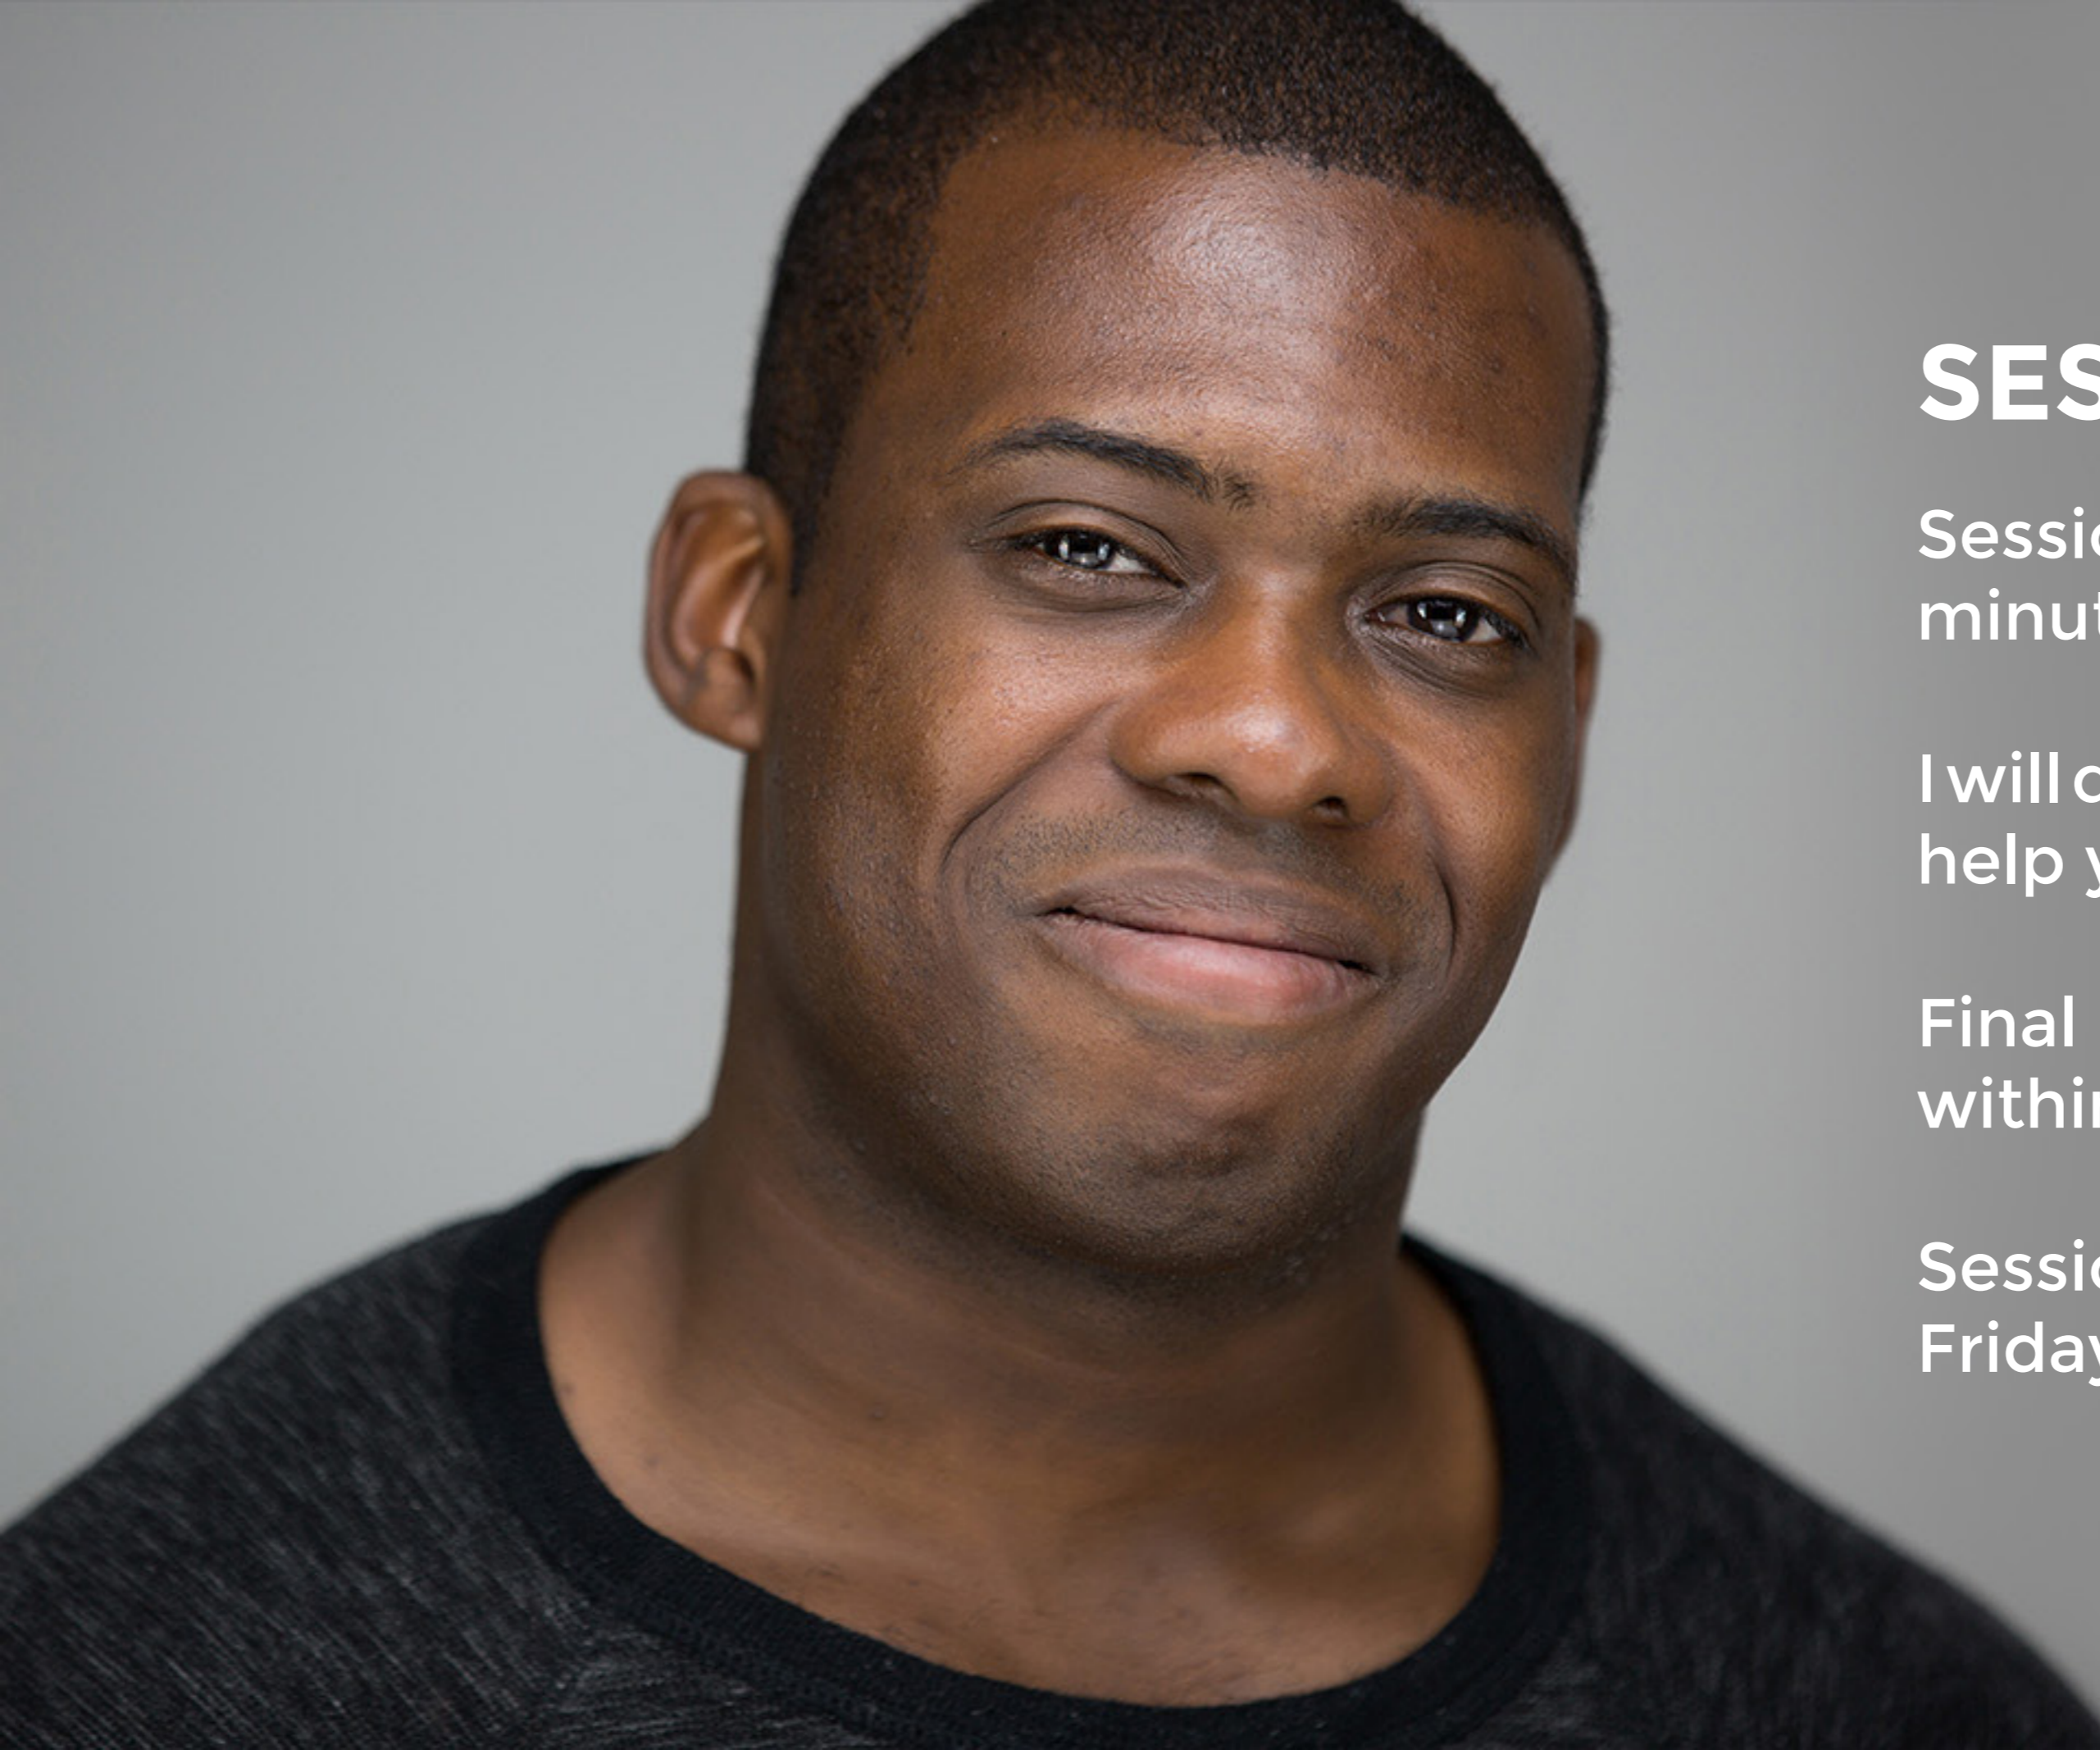

*For use in large commercial printing (billboards, magazines, or other print runs with over 10,000 copies) or television, additional licensing is available.

HEADSHOTS ANYWHERE

We can do your headshot session anywhere you'd like: your office, my studio, or any other location of your choosing. Location fees are waived when 4 or more headshots are booked together!
